30 September 2009

### **Simon Chesterman promoted to Professor**

The Faculty of Law congratulates Simon Chesterman on his promotion to Professor.

Professor Chesterman also holds a position as Global Professor and Director of the New York University School of Law Singapore Programme. His publications include *Private Security, Public Order: The Outsourcing of Public Services and Its Limits* (edited with Angelina Fisher, forthcoming in November 2009 from Oxford University Press). He is currently working on a book on the regulation and oversight of intelligence services, to be published in late 2010 by Oxford University Press.
