CLIFFORD CHANCE

CLIFFORD CHANCE INVITATION CAPITAL MARKETS AND WORLD EVENTS FRIDAY 21 OCTOBER 2022

Clifford Chance invites you to a Partner lead talk on Capital Markets and World Events. In this session, hear from Gareth Deiner (Partner, Capital Markets) on what it means to be a capital markets lawyer at a firm like Clifford Chance, which recent world events impact our clients and how these affect the type of work a capital markets lawyer does.

The talk will be followed by networking with our trainees, associates and Partners in Singapore.

Date: 21 October 2022

Time: 1 – 3 pm SGT

Venue: **Clifford Chance Singapore Office**
Marina Bay Financial Centre, 25th Floor, Tower 3
12 Marina Boulevard, Singapore 018982

About the Speaker:

Gareth Deiner
Partner
Singapore

Gareth Deiner is an English and New York qualified lawyer whose practice covers debt and equity capital markets transactions across the South and Southeast Asian region. Gareth advises sovereign and corporate issuers, private equity sponsors, financial investors, real estate investment trusts and investment banks on their most complex and strategic capital markets transactions and capital reorganisations. He is also a noted expert on ESG-related solutions and sustainable finance transactions, having advised on numerous award-winning and market-first transactions, particularly in the energy and infrastructure sector.

Gareth's product-specific experience includes high yield, sovereign, corporate investment grade and cross-over credit debt securities offerings; IPOs, placements, PIPEs and equity-linked offerings (including convertible, exchangeable and perpetual bond issues); US and European private placements; Islamic finance securities offerings; regulatory capital securities offerings and various liability management and debt capital markets restructuring exercises.
