

## SO YOU WANT TO BE A SHIPPING LAWYER...

Better not **unless** you're ready for an area of law that:

- Is rich in history and tradition
- Operates on a truly global scale
- Is entwined with commerce and international trade
- Is highly specialised yet spans a broad range of disciplines
- Has its own language — filled with industry terms, conventions, and customs that have their own unique meaning and application
- Demands an understanding of more than just the law — think ships, cargo, navigation, engines and more

Curious to learn more? Whether you're planning your future career or selecting electives, this talk will give you plenty of reasons to consider shipping-related options!
