

Alternative Careers for Law Graduates: Global Investigations

Join us in this session as our guest speaker, Gez Clayton, shares his personal career journey.

With demands for greater corporate accountability, companies must be prepared to deal with the challenges posed by potentially business threatening investigations. They say that conducting global investigations is like game of three-dimensional chess: an in-house lawyer has to think and act across multiple legal dimensions.

Find out what a regular work day looks like for Gez and learn the gambits of the game so you can make the right moves in this exciting field of investigations work.

About General Electric Company (GE)

The General Electric Company (GE) is an American multinational company. For more than 125 years, GE has invented the future of industry. Today, GE is best known for its work in the Power, Renewable Energy, Aviation and Healthcare industries.
