

The Centre for Maritime Law (CML) is proud to announce the launch of our Working Paper Series (WPS).

The Working Paper Series is part of the Centre's ambition to be a Singaporean and regional centre of excellence in commercial maritime law research and education.

This workshop is intended to promote the Working Paper Series to industry practitioners as well as maritime law students and academics.

Participants will be invited to share their views and aspirations for the Singapore maritime legal landscape over refreshments.
