On 20 April 2022, the Centre for Maritime Law (CML) at National University of Singapore, Faculty of Law organised a book launch for Professor Stephen Girvin's *Carriage of Goods by Sea* (3rd edn) published by Oxford University Press. The event was held at the Amara Hotel, Singapore and was attended by both local practitioners as well as industry partners. The event began with an opening address by Associate Professor Paul Myburgh, Deputy Director of CML. A/P Myburgh noted the need for an all-encompassing text in this field, which was met by *Carriage of Goods by Sea*. In his overview, Professor Girvin spoke of the methodology which followed the sequence of the chapters as well as the changes from the last edition. He also thanked the publishers and Mr Leong Liwen (CML Research Associate), for their assistance and support. Ms Vivian Ang (Allen & Gledhill LLP) and Prof Neale Gregson (The Arbitration Chambers) led the toasts for the evening, which concluded with sit-down dinner with the attendees.

Our heartiest congratulations to Professor Girvin on his book publication!
