

RAFFLES LIGHTHOUSE TOUR

29 SEP 2023 | 12.00nn to 5.00pm

(Bus leaves BTC Campus at 11.30am)

Raffles Lighthouse, built in 1855, has more than 167 years of heritage behind it. It is currently still in use and is the second oldest among the five lighthouses maintained by the Maritime and Port Authority of Singapore. Located along the Strait of Singapore, it marks the southern-most and turning point to guide ships in their navigation.

The Tour starts with a ferry ride from Marina South Pier, passing by southern islands such as St John's Island, Kusu Island, Pulau Bukom, Pulau Sebarok and Pulau Semakau before disembarking at Pulau Satumu to view the Raffles Lighthouse up-close.

This event is open to law students.

Please register at: <https://tinyurl.com/CMLPSLHT230929>

Seats are limited on a first come first serve basis with priority for students taking maritime law modules.
