### ABOUT THE EVENT

There are bills of lading and there are ship's delivery orders. What exactly is a ship's delivery order, does it matter which law applies to that question, and how does a ship's delivery order relate to a bill of lading? The speaker will give a general introduction on the subject, outline the system of the UK Carriage of Goods by Sea 1924 c 50/Singapore Bills of Lading Act 1992 (2020 rev ed) and address these questions above. The speaker will also revisit the UK Court of Appeal judgment in *Glencore International AG v MSC Mediterranean Shipping Co SA* [2017] EWCA Civ 365, in which the ship's delivery order played a pivotal role. The session will end, as always, with Q&A.
