About the Conference

Welcome to the webpage for the NUS Law Shareholder Power Conference.

This Conference is part of a larger project on [Shareholder Power](#) arising out of a collaboration between the [National University of Singapore \(NUS\) Centre for Law & Business](#) and the [Vanderbilt University Law and Business Program](#). The Conference aims to bring together [leading scholars from around the world](#) to discuss the issue of Shareholder Power from a variety of perspectives.

This Conference builds upon the success of an earlier conference organized by Professor Randall S. Thomas, which was held at Vanderbilt Law School in September 2013. The research produced at the two conferences will be published as a Research Handbook on Shareholder Power co-edited by Professor Jennifer Hill and Professor Randall S. Thomas and published by Edward Elgar in 2014. The [European Corporate Governance Institute](#) has partnered with NUS Law and Vanderbilt Law School to promote this research project.

I welcome you to explore this webpage to learn more about the Conference.

Best regards,
