

# Graduate Certificate in Intellectual Property & Technology Law

With a rich heritage spanning over 60 years, NUS Law is one of the best law schools in the world and is widely regarded as Asia's leading law school.

Home to over 70 permanent faculty with law degrees from more than a dozen jurisdictions, NUS Law is an institution dedicated to building a community and an environment in which faculty members, undergraduate and graduate students can discuss and reflect on the fundamental legal issues that affect societies in today's globalised world.

**Asia's leading law school - Heritage spanning over 60 years**

**Diverse range of course offerings**

**Dynamic environment to prepare working adults for a globalised world**

**Students from over 30 countries and jurisdictions**

**World-class law library with extensive resources**

**Highly qualified teaching faculty from jurisdictions around the world**

# Graduate Certificate in Intellectual Property & Technology Law

The Graduate Certificate in Intellectual Property & Technology Law (GCIPTL) is aimed at graduates with a law degree, who are seeking to specialise in Intellectual Property & Technology Law and who may want to be in-house IP advisors, IP lawyers, IP-portfolio managers and licensing/ technology transfer executives.

The programme offers a selection of carefully curated intensive modules taught in Singapore by renowned visiting IP professors from around the world and by local faculty members.
