APPENDIX

List of Publications and Research Activities

IN PROGRESS

- ❑ *Intimate Legalities: Parental Maintenance, Welfare, and State Law in Taiwan, Vietnam and China*
 - Book under contract with University of California Press. Based on 10-year legal ethnography analyzing the conditions under which parents sue their adult children for financial maintenance and emotional care, as well as the consequences of mobilizing and enforcing such laws.
- ❑ Governing through Contagion
 - Legal ethnography on how colonial and present-day Singaporean governments combat contagious diseases, how their strategies interacted with humans, creatures, and law and other technologies, and how those interactions produced disparate effects on differently situated populations. In collaboration with Dr. Jack Jin Gary Lee (New School for Social Research, New York).
